## CHILLED SEMEN TERMS OF TRADE
## APPENDIX (1)

### PARTIES
Decron Horse Care Pty Ltd ABN 99 128 470 244 (Decron) and the Owner named in the Chilled Semen Order Form. These terms, the order form and booking contract together constitute the agreement between the parties.

### BREEDING
Decron owns semen collected from the stallion "Copy That NZ" based in Western Australia. The Owner owns or is entitled to possession of a mare named and identified in the order form (Mare) and contract.
The Owner has requested Decron to supply chilled semen for artificial insemination (AI) of the Mare and Decron has agreed to do so on these terms.

### FEES
Decron will supply the Owner (or other person nominated in writing) one (1) dose of chilled semen for a fee of $2990.00 payable to Decron on receipt of a confirmed positive pregnancy test at 42 days. If a further one (1) dose is required within the same breeding season due to the mare proving not to be pregnant, a fee of $450 is payable to cover collection and shipment costs.
Payment is due within 30 days of receiving an invoice into the bank account specified in the Schedule. Monies overdue incurs interest at 15% per year and a late payment fee charged monthly. The Owner agrees to pay debt recovery fees and charges. Decron is entitled to inform Racing Wagering Western Australia of any monies owing by the Owner and provide account information.

### SUPPLY
An order for semen must be received no later than 2:00 pm prior to the day of semen collection. Semen collection days are Monday, Wednesday, Friday.
Semen must be used to breed 1 foal to the Mare (or to any approved substitute mare) and not to breed any other mare or to breed more than 1 foal. Breeding resulting in more than 1 foal (including by embryo transfer) incurs a fee of $2990.00 for each additional foal. If requested, the Owner must give Decron information and material concerning the use and whereabouts of all semen supplied.

### OWNERSHIP AND RISK OF HARM
When the semen leaves Decron, ownership and the risk of loss or damage passes to the Owner.

### LIVE FOAL GUARANTEE (LFG) CONDITIONS.
If the mare fails to produce a live foal that can stand and suckle, the owner is entitled to one (1) free dose in the following season. If again, the mare fails to produce a live foal, the same conditions will apply for the following season.
Decron will not charge a semen supply fee, but the Owner must pay Decron $350 for shipment to Qantas Eastern States sites. A fee of $60.00 is payable for shipment to any site in West Australia.
The LFG is conditional on:
- the Owner having used a qualified and experienced AI vet or technician to inseminate the Mare.
- the Owner maintaining the Mare's pregnancy with proper care and veterinary attention as required.
- the Mare remaining in Australia.
- the Owner supplying Decron satisfactory evidence (autopsy report) that the Mare failed to produce a live foal (one that stands and suckles for 48 hours).
- the Owner proving to Decron's reasonable satisfaction that it did not contribute to the probable cause of the Mare's failure to produce a live foal and that it holds no unused semen.
- the Owner informing Decron of an ill or deformed foal within 24 hours of birth.
- assuming the Mare is alive, the Owner remaining the owner of the Mare;
- Decron remaining the owner of the Stallion when the Owner calls on the guarantee; and
- death, injury, illness or disease of the Stallion not intervening after the Owner seeks to exercise its entitlement to the LFG which prevents collection from the Stallion or renders it inadvisable.

The LFG is personal to the Owner and may not be transferred or assigned to anyone.

### EXCLUSION OF LIABILITY
Decron, its employees, agents and contractors will not be liable to the Owner for:
- loss of or damage to the semen after it leaves Decron.
- death, injury, illness or disease of the mare or any approved substitute mare or any foal alongside her arising from or relating to insemination of the semen; and
- any other direct, indirect or consequential loss or damage of any kind, however caused, including (but not limited to) the negligence or fault of Decron, its employees, agents or contractors, arising from or relating to the collection, supply, transportation or insemination of the semen or any other circumstances arising under or in connection with these terms.

### CERTIFICATE OF SERVICE
If the Owner has paid Decron all monies owing and has observed and performed its obligations, Decron will issue a Certificate of Service.

### ENTIRE UNDERSTANDING
These terms constitute the entire agreement of the parties. Unless a prior representation, warranty or promise is expressly stated, it is of no force or effect, was not relied on by the Owner and does not constitute any collateral agreement, warranty or understanding between the parties.

### GENERAL
- The person who orders the semen per the Order form warrants that he/she is the owner of the Mare or, if not the Owner, that he/she has the Owner's authority to order the semen.
- Decron is not obliged to obtain or maintain a policy of insurance covering loss of or damage to the Semen in any circumstances.
- No change or addition to these terms is valid or binding unless it is in writing and signed by the parties.
- The law of Victoria applies to these terms and the parties submit unconditionally to the exclusive jurisdiction of the courts and tribunals of that State in respect of any dispute relating to the terms, the stallion and the semen.
- If the Owner comprises 2 or more persons, the terms bind them individually and together.
